President's Report - Andre Montgomery

Presidents Message

Presidents Message for April 2023

Dear CCOM Members: We look forward to seeing everyone at our upcoming membership meeting. Spring is around the corner and many of us will be getting our Corvettes out hopefully this month. Please consider signing up for our Spring Brunch and Cruise May 21st. As of today, we have only 24 signed up. It is one of our best events, with a great location and food. Enclosed you will find a flyer. We also have the GMCCA car show, at the fairgrounds June 4th as well as the Sadie Hawkins cruise May 7th.

Spring is a great time to enjoy the warmer weather and take your Corvette out for a spin. However, before taking it out of hibernation, it's important to make sure it's in good condition and ready for the road. Here are some tips to prepare your Corvette for spring:

1. Check the battery: If your Corvette has been in storage for a while, the battery may have lost its charge. Check the battery and charge it if necessary.
2. Inspect the tires: Check the tire pressure and make sure they are properly inflated. Also, inspect the tires for any cracks or damage.
3. Change the oil: If you didn't change the oil before putting your Corvette in storage, it's a good idea to change it now.
4. Check the brakes: Make sure the brakes are in good condition and replace the brake pads or rotors if necessary.
5. Clean the car: Give your Corvette a good wash and wax to remove any dirt or grime that may have accumulated during storage.
6. Test the lights: Check all the lights on your Corvette, including the headlights, taillights, and turn signals.
7. Take it for a test drive: Once you've checked everything, take your Corvette for a short test drive to make sure everything is working properly.

By following these tips, you'll be ready to enjoy your Corvette this spring!

On June 9th and 10th the North Central NCRS Chapter will have a regional Corvette judging event in Rochester. The event will be indoors. As of today, there are over 60 Corvettes registered all in mint condition. We are registered with our 67. Enclosed you will find the t-shirt for this event. This will be a one-time order that is for this event only. If anyone wants to order, I can bring them back after the RST regional.

Cheers, Andre

Order your piece of music and Corvette history!

"Little Red Corvette" – Prince

Prince was a world-renowned musician and native of Minnesota. The image on the T-shirt depicts Prince out in front of the Minneapolis concert venue of First Avenue. He played at the venue multiple times throughout his career. And of course, the namesake of the song, "Little Red Corvette".

The North Central Chapter has obtained special permission for use of his likeness on the T-shirts for our Regional Event. Furthermore, it has been requested that a T-shirt be sent to the Prince Museum where it will join other memorabilia from his life as a singer, song writer and performer.

\$25 for sizes up to XL, \$27 for 2XL, \$28 for 3XL
Plus a shipping charge if not picked up at the Regional
To order yours, contact Lyn Miles at: phone: 952-465-1682
 email: Lyns58vette@yahoo.com
 All orders due by May 1st, 2023 and will be shipped in June 2023

Vice President's Report – Scott Maas

April 2023 CCOM VP Newsletter Report

I should have stayed home on Saturday morning, April Fools' Day, to write this Newsletter Report, but there was a car show that I wanted to go to. I'm probably getting into trouble for having this report done so late, but I did wind up with a funny story.

Saturday, we woke up to a little April Fools' present, in the form of an 8" snowfall. I fired up the snowblower and cleaned out the driveway, but the snowplow had not come by yet. My daily driver is a ¾ ton Chevy Suburban, so my excuse that I can't get to work because of a little snow, is right out the window. I use it to pull my car trailers, but it is a little overkill for a daily driver. But when there is a car show going on, a little 8" snowfall isn't going to stop me. I was going to pick up a buddy in Bloomington, but he said none of the side streets had been plowed. No problem for a ¾ ton truck. I picked up my buddy, and sure enough, none of the side streets were plowed. We slipped, slid, and laughed all the way out to the main roads. We followed a herd of snowplows on Interstate 94. We were headed to the Colosseum on the MN State Fairgrounds. When we got to the Como Ave. exit on Snelling Ave., the exit ramp was all full of snow. I was at the speed limit (wink, wink), so I thought I would try to blast through the big snow pile. We made it though and were laughing our heads off. When we got to the stop sign, my buddy said that a car tried to follow us, but got stuck at the top of the exit, poor guy.

We went to the 65th Annual Gopher State Timing Association (GSTA) Car Show. There were a lot of cool race cars and show cars on display, but not many Corvettes. We did run into fellow CCOM member Jim "JD" Davis. He was checking out the cool cars also. I also talked with Chris Mortenson, owner of Samaritan Tire, at his display booth. He did a great wheel and tire seminar for our club a few months ago.

Suburban Chev had a display booth at the show. They were sponsoring an autograph session with 6-time NHRA (National Hot Rod Association) Pro Stock Champion and Minnesota native, Warren Johnson, "The Professor." I got his autograph and a picture taken with him. He was very humble for being drag racing royalty.

I stopped and talked to the folks at Classics Plus from Savage, MN. I have an Art Morrison chassis on order with them for my 1955 Chev Nomad project. They had a beautiful Willys on display that they had built for a customer. Cool car!

The CCOM Board has decided to go ahead with the River City Days Car Show, in Red Wing, MN, on August 5, 2023. I will be the Show Chairman again and have started making plans for a successful show (weather permitting, ha-ha).

I have been working on a new club merchandise program. There are still a couple of details to work out. I hope to roll out the new program at the April CCOM Membership Meeting.

April is pretty slow for car events. This will give you some time to clean up your Corvette and get it ready for the summer car events. I hope you can make it to the following events coming in May:

May 7 – Sadie Hawkins Cruise, contact Jan Hanna.

May 13 – Matt Saxe Chev Corvette Roll In, Belle Plaine, MN contact Scott Maas.

May 21 – CCOM Spring Brunch and Cruise, Machine Shed, Oakdale, MN, contact Julie Stulz or AJ Kupka.

I look forward to seeing you at these fun events.

Meeting Attendance:

57 members attended our March's general membership meeting. We had 6 guests; Joe & Pam Tikalsky, Phil & Nancy Ebert, Eddie Bilik and his son, Eddie Bilik, introduced themselves during the meeting and we hope to see them again soon. Snowbirds are coming home so we hope to see more members at the April meeting...

New Memberships:

Please welcome our newest members Rusty and Martha Bemis and let them tell you about their 3 Corvettes when you greet them!

Anniversaries:

In April Shawn Waite is celebrating his 15th anniversary with CCOM. CONGRATULATIONS and THANK YOU for being a member!

Cards/Flowers:

This past month I sent out a speedy recovery card to Pete Liccardello after his surgery and a card was sent to Kris Antoine expressing sympathy for the loss of her sister. Doug Thoreson called to let me know that his brother, Greg, passed away on March 5 and there will be a private family funeral for him. He wanted me to share this information with the club members. A blooming plant and get-well card were given to David Pounds to cheer him up after his hospitalization due to a fall on the ice. David is now recovering at home.

If you know of a member currently in the hospital or home recovering or someone that is or has been sick, please contact me and I will send either a card and/or flowers on behalf of the club.

Name Tag/s:

Anyone who would like to order a name tag/s please email me the name/s.

NCM Ambassadors Report -

If you are not a member yet one really great benefit is the included subscription to Americas's Sports Car. This is a very well done publication with little advertising.

Not many updates this month. Please review the schedule below.

The NCM Michelin Bash is set to take place April 27-29. This is about the time most of us will be itching to put some miles on. This year the Bash has aligned with the High Performance Driving School more info here: [NCM Motorsports Park Spring HPDE \(motorsportreg.com\)](https://www.ncm-motorsports.com/michelin-bash).

The new Driven by Design exhibit is also in full swing. This is a 6500 square foot exhibit covering what it takes to create a legendary Corvette. This takes visitors through a history of design from the 50's through today.

Is anyone planning on this trip?

Factory

The factory tours are up and running with good availability. There have been a couple weeks recently with no tours due to plant closures.

Motorsports Park

The track owned by the National Corvette Museum will become the first with a commercialized Z06 fleet. Visitors can drive laps in the all new Z06 Corvette. The course is 3.2 miles with 23 turns.

Raffles

There are several raffles in process right now. There is even a chance to win a C8 Z06. Visit this website for details:

Secretary's Minutes – David Pounds

Secretary's Report **Membership Meeting Minutes**

Secretary's Membership Minutes-Dave Pounds
March 14th, 2023

Members present: Andre Montgomery-President, Scott Maas- Vice President, Dave Pounds-Secretary AJ Kupka- Treasurer, Julie-Membership- Director, and Dave Dubay-Member at Large.

Members absent: Shawn Hanna- Tech Director, Jan Hanna- Past President, and Joel Meyer-Editor.

Andre called meeting to order at 7:00 PM

Board Member Reports:

President- Andre called for "The Pledge of Allegiance" and had Julie Stulz remind the membership that the Spring Brunch and Cruise will be held at the Machine Shed Restaurant in Lake Elmo on May 21st. There will be prizes and \$200 for gift cards. Tickets for the event will be \$20. The last day to sign up is May 16th. You can pay in advance by sending a check to AJ Kupka, 1821 Cloud Drive NE, Blaine, MN-55449, or pay with Zelle.

Vice President- Scott Maas reported on the wonderful time that he and several CCOM members had at the Remlinger Muscle Car Museum in Winona, MN on February 11th. Roger Haro received the invitation to this event, and there will be a car auction there on June 2-3. Scott also got to sit in, and start a 2023 ZO6 at Saxe Chevrolet in Belle Plaine, MN. He said it sounded mean. Scott passed out a list of CCOM merchandise ideas and asked the members to pick the top 5 items that they would be interested in purchasing. He also reported that the "Names Marketing Group" in Burnsville will be the club's supplier. Thank you, Scott, for all the work and research you did to find a vendor.

Treasurer- AJ Kupka presented the CCOM budget for 2023 on the big screen for all the members to review. The preliminary budget was approved in November 2022. AJ stated that our 2022 MN

taxes of \$26 has been paid and we received our sponsorship fee of \$2400 from Jeff Belzer Chevrolet. AJ discussed each individual proposed line item change, which includes; increasing

the expenditure for a new computer, and the website maintenance. To cover those increases, we eliminated the expenditure associated with Management software initiative to maintain a balanced budget. AJ made a motion to approve the 2023 budget, and Bill Gibson seconded it. Thank you AJ.

Secretary- Dave Pounds asked for a motion to approve the February minutes. Bill Gibson made a motion and Roger McCombs seconded it.

Membership Director- Julie Montgomery welcomed new members Scott Bradshaw (2003 anniversary Corvette), Philip and Carol Dorris (2018 Grand Sport convertible), and John and Lori Kulander (2021 Elkhart blue coup). She also had guests Eddie Bilik and his son Eddie Jr., Joe and Pam Tikalsky, and Phil and Nancy Ebert introduce themselves to the members. Julie announced the 15 year membership anniversary for Greg and Jean Crum, and thanked Kathy Kupka for handling the raffle duties. Also, a fresh flower arrangement was sent to Shirley Britten's memorial and funeral service from all of us at the club. A heartfelt thank you email was sent to our club members from Shirley's husband Jim and her son Andy. Please let Julie know if any of our members are sick or in the hospital so that a card and/or flowers can be sent. There were 60 members and 6 guests at the meeting.

At 7:35 PM, Andre made a motion to adjourn the meeting, and Bill Gibson seconded it.

Secretary's Report **Board Meeting Minutes**

Board Minutes for March 28, 2023

Board meeting started at 5:02 PM

The following board members were present: Andre Montgomery, Scott Maas, AJ Kupka, Shawn Hanna, Jan Hanna, Julie Montgomery, Joel Meyer, Dave DuBay. David Pounds was absent.

President Andre Montgomery welcomed the board.

Vice president Scott Maas updated this on the clothing survey that he gave out at the membership meeting in March. He will have clothing order forms for members during the April meeting. All orders will be due at the May meeting and the purchased clothing will be returned to people during the June meeting. Scott also updated us and the Red Wing car show which is on August 5th. He's in contact with people from Red Wing that hopefully will help with the show. There will be less classes, less trophies and easier parking that will create less work for the members who volunteer. Jan made a motion for the board to support the Red Wing car show this year and Andre seconded it. The board all agreed to support the Red Wing car show this year and then reevaluate it after this year.

Secretary- Dave Pounds was absent and Julie filled in by taking notes of this meeting.

AJ made a motion to approve the minutes from the last meeting. Scott seconded it. The board approved the minutes.

Treasurer- AJ Kupka gave us an update on our financial report. We're right in line from the previous year. AJ purchased a computer and has had all the updates on it for the upcoming transfer of information for the membership director at the April meeting. A PA system is being investigated for purchase that will be used at many upcoming events. Chris Osgood and Scott Mass are following up on the purchase. The spring brunch is on its way with 24 members already signed up, and they have a great route planned to use a scannable QR code for directions instead of paper directions. AJ is a busy man collecting prizes for Vettes for Vets. He will have the volunteer signup sheet at our next meeting.

Tech Director -Sean Hanna has also been busy collecting prizes used for raffles at our future meetings.

Membership Director- Julie Montgomery reported that she has purchased 1,000 CCOM business cards for members to give out to their friends and we will distribute them at tables during the April meeting. 57 members attended the March meeting, and we had six guests which we hope to see back in the future. We have new members Rusty and Martha Bemis and she'll introduce them at the next meeting. Shawn Waite is celebrating a 15-year anniversary. This last month Julie sent out a speedy recovery card to Pete Liccardello. A card was sent to Kris Antoine with deepest sympathy of the passing of her sister. Julie will contact Doug Thoreson to find out how he would like to have the \$75 spent on either memorial flowers at their private funeral service or for a charity of the family's choice in honor of his brother Greg Thoreson who has been a member of CCOM. Julie was contacted by the Wayzata car show committee hosted by the Wayzata Masonic Lodge and Wayzata Fire Department. The car show is on September 17th, more information will be coming later. The club statistics at this time are 141 memberships and 174 Corvettes, which is very similar to last year at this time. An email will be sent out on Wednesday to all 2023 members with the new password.

Past President-Jan Hanna had no new items to discuss.

Editor Joel Meyer-reminded us to turn in our news article this week for the April newsletter.

Member At Large and Web Master- Dave DuBay is our new website master. He's done much work on our CCOM website including updating the photos of members and the memorial pages. He would like to urge people to update photos of themselves. We can send the photos directly to him. Jpeg size is 300 x 200. Julie will ask people (especially new members) to come up to get new photos for the directory during the April meeting.

New Business Andre said the Mystic Lake car show for September will still be pursued by Andre and a small committee with a possible meeting with Mystic Lake people in April. He will give us an update in a month. Scott made a motion to adjourn the meeting. Jan seconded it. All agreed to adjourn. The board meeting was adjourned at 6:06PM.
