President's Report - Andre Montgomery

President's Message for May 2023

Spring is finally here, and I am sure many of you are getting your Corvettes out and enjoying the spring weather. We just brought back our 1967 from the restorer in Gillespie, IL for the second time and I am busy getting it ready to be judged at the NCRS regional meeting in Rochester, MN, June 9th, and 10th. They have over 73 cars signed up so far for different judging events. Everyone is welcome to come down as a spectator free of charge. Please let me know if you are interested.

John Wessel is planning an informal cruise on Saturday June 10th to check out this NCRS event.

Our Spring brunch is coming up. The last day to sign up with payment is Tuesday, May 16, see attached flyer for more details. This is an outstanding event to get your Corvette out. We will have a brunch with a cruise following. The cruise is optional.

Other Club sponsored events, flyer listed below:

Sadie Hawks Cruise May 7th.

The GMCCA at the Minnesota fairgrounds is coming up June 4th.

In closing, have fun and enjoy the ride! Spring is a great time to take in the scenery and explore the open road in your Corvette.

Vice President's Report – Scott Maas

May 2023 CCOM VP Newsletter Report

It looks like spring just might make it to Minnesota yet. There are several fun events planned for this month.

On May 7th, Jan Hanna will be hosting a "Sadie Hawkins" cruise and rally. The plan is to leave from Cleary Lake Regional Park, 18106 Texas Ave, Prior Lake, at 11:00 AM. The cruise will be finishing up at the Horse and Hunt Club, in Prior Lake, for their famous Sunday Brunch. This should be a very fun event.

On May 13th, we will be caravanning to Matt Saxe Chev in Belle Plaine for their 9th Annual Corvette Roll In Car Show. They will be giving the first 100 entrants a free T-shirt and Matt Saxe will provide a free lunch for the participants. We plan to meet at the Savage America Legion at 7:00 AM. If this is too early, you can join us later at the car show. So far, about 15 people have signed up, so it should be a fun cruise to the car show. You can contact Scott Maas if you have questions.

On May 21st, our Spring Brunch and Cruise will be held at the Machine Shed, in Lake Elmo, MN. The brunch will start at 10:00 AM and the cruise will start about noon. It sounds like the cruise route will be very picturesque. We hope people will come early to check out the Corvettes and socialize with fellow CCOM members. Contact Julie and Rick Stulz, AJ and Kathy Kupka or Keri Kuechle with any questions.

I have been working with a new club merchandise supplier. I rolled the new program out at the April 2023 meeting and received several orders for clothing. So far, we have polo shirts, long and short sleeve shirts, caps, jackets, and other items. We plan to have a merchandise section added to the CCOM website. I also plan to have some examples of the clothing items available at the May meeting. These new clothing items will be a good way to help promote our Classic Corvettes of Minnesota car club.

Here is a list of some upcoming events:

- May 7th – Sadie Hawkins Cruise, contact Jan Hanna.
- May 9th – CCOM Membership Meeting, Savage American Legion.
- May 13th – Matt Saxe Chev Corvette Roll-in, contact Scott Maas.
- May 21st – Spring Brunch and Cruise, contact Julie Stulz.
- June 4th – GMCCA Car Show, contact Marcus Glass.

We hope to see you at these upcoming events (with a little help from our local weather forecasters, ha-ha).

NCM

Ambassadors Report – Chris Osgood

The NCM Michelen Bash is happening as I write this update. There are many cool things happening and I hope to have some pictures and details to share for the June newsletter.

At the Bash Corvette is showcasing some of the new models coming out for 2024. Production for the 2024 model year should start to happen in October. Corvette intends to have some E-Ray cars to dealers in January 2024. New year production will be split between Stingray, Z06 and E-Ray.

Here is an interesting article about Zora

If you search the internet for “1955 Zora Le Mans,” you will find photos of Corvette Chief Engineer, Zora Arkus-Duntov, racing a... Porsche? Yep. Due to an agreement with Porsche, he was racing and winning in their car, even though he was an employee of Chevrolet at the time and working on Corvette. 1955 marked his second and last victory at that great race, as his attention fully turned to America’s Sports Car, bringing us to the subject of this installment of Artifact of the Month... Zora’s racing helmet.

In many of the photos you might have found in your earlier internet search, you will see Zora strapping on what we believe is this helmet. Zora would wear it during races, and later at testing sessions where he pushed the limits of his own forefront technology.

He retired in 1975 but would don this helmet again on June 5, 1992. This time he’d get behind the wheel of a bulldozer instead of a racecar, to ceremoniously break ground for the National Corvette Museum. Wearing his helmet, his racing jacket, and a wide smile, he drove the bulldozer shovel (with a Corvette cutout attached to the side), into the earth. He loved the thought of there being a museum to celebrate the Corvette so much that he’d return for the grand opening on September 2, 1994. When Zora passed in 1996, he wanted his ashes to be at the Museum as well, with the cars and the people he loved.

Before his passing, though, he decided that this beat-up yellow helmet that he had made so much history wearing belonged in the collection of the National Corvette Museum. He donated the helmet, his goggles, and his racing jacket to the Museum so that one day we could share them with you.

As we approach the 70th Anniversary of the Corvette this June, we'd like to present this artifact for your enjoyment. It symbolizes the love that Zora had for enthusiasts, for racing, for the Museum, and for the Chevrolet Corvette.

Vice President-Scott Maas thanked the members that filled out the CCOM merchandise Survey forms and said he will begin ordering items as soon as he has 6 orders. He also said that our club will be participating in the Red Wing River City Days Car Show on Saturday, August 5th, 2023. Also, on Saturday, May 13th the club will be caravanning from the Savage American Legion to the Matt Saxe Corvette Roll In, in Belle Plaine, MN. The Matt Saxe car dealership will be providing lunch to the participants.

Treasurer-AJ informed the members that we have purchased a new laptop that's all set up for the Membership Director Julie. Also, AJ gave us a report on the final restoration phase of the club trailer. AJ also thanked Chris Osgood for finding a used PA system for only \$40. Thank you, Chris. AJ asked for volunteers to help setup/organize the Vettes for Vets show on August 13th, 2023, from 8:30 AM until 1:30 PM. This event will be held at the Dan Patch American Legion in Savage.

Secretary-Dave Pounds made a motion to approve the minutes and Bill Gibson seconded it. I also want to thank Julie for handling the March board minutes while I was absent.

Past President-Jan Hanna set up a Sadie Hawkins equestrian themed cruise on May 7th. The cruise departs at 11:15 AM from the Cleary Lake Regional Park (parking lot) 18106 Texas Ave, Prior Lake. The cruise will be approximately 50 miles and will take about 1 hour, ending at the Trigger Restaurant (Minnesota Horse and Hunt Club) for a buffet brunch at 12:30 PM. Ladies are encouraged to drive. The Minnesota Renegades car club will also be joining us.

Julie Stulz reminded the membership that the Spring Brunch and Cruise will be held at the Machine Shed Restaurant in Lake Elmo on May 21st. There will be prizes and \$200 for gift cards. Tickets for the event will be \$20. The last day to sign up is May 16th. You can pay in advance by sending a check to AJ Kupka, 1821 Cloud Drive NE, Blaine, MN-55449, or pay with Zelle.

Membership Director-Julie Montgomery welcomed new members Pam and Joe Tikalski, and had them talk about themselves and their C7 with a 7 speed. Julie thanked Dave and Nina Pounds for greeting members and guests, and also thanked Keri Kuechle for selling 50/50 raffle tickets. Shawn and Jan Hanna were also thanked for handling the Tech Director raffle, and Shawn Waite was congratulated for his 15 year CCOM anniversary.

Julie sent out a speedy recovery card to Pete Liccardello after his surgery, and a card was sent to Kris Antonie expressing sympathy for the loss of her sister. Doug Thoreson called Julie to let her know that his brother, Greg passed away on March 5th, and there will be a private family funeral for him. If you know of a member in the hospital, home recovering, or sick, please contact Julie so that she can send a card and/or flowers on behalf of the club.

Editor-Joel Meyer wanted to correct a mistake in his March newsletter. He wanted to let the members know that Chris Osgood's son Nick took the pictures of the 2023 E-ray, not Chris. Andre also thanked Joel for producing and editing the newsletter. It is a big task, and he does a great job. Thank you Joel.

Other events mentioned during the meeting are as follows: The Pan-O-Prog car show on Saturday, July 15th in Farmington, MN, and the all GM Car/Truck show and swap meet on Sunday June 4th at the MN State Fairgrounds.

Secretary's Board Minutes-Dave Pounds
April 25th, 2023

Members present: Andre Montgomery-President, Scott Maas-Vice President, Dave Pounds-Secretary, AJ Kupka-Treasurer, Julie Montgomery-Membership Director, Joel Meyer-Editor, Dave Dubay-Member at Large.

Members Absent: Shawn and Jan Hanna

Andre called our meeting to order at 5:00 PM.

Board Member Reports:

President-Andre talked about plans to nominate and recruit new board members for 2024 in October this year. Andre and Scott had to make a decision to change our logo stitch file and spend \$85 to meet the deadline for having ordered clothing ready for the next membership meeting. Andre made a motion to give an advertising discount to Samaritan Tire as a one-time deal. The motion passed with one nay vote. Andre also mentioned that he would like CCOM to be involved in another car show this year, but no decision had been made at this time.

Vice President-Scott is working on a flyer for the Red Wing Car show. Scott expressed concern that the recently acquired used PA system may not be loud enough for outdoor events, but the board agreed that we need to try it before making any decision to upgrade. We all agreed that it was just fine for indoor meetings. Scott also mentioned that he had 13 orders for CCOM merchandise.

Treasurer-AJ presented his latest financial report and said that he is working on finding raffle prizes for the Vettes for Vets event. AJ expressed concern that vehicle and bodily accidents could occur at the Vettes for Vets and River City Days events. He wants nonmembers to sign a Release Waiver before entering the show to protect our club from any possible law suites. Dave DuBay was concerned that it would slow things down at the entrance, but we all agreed that it is a good precaution to protect our club. AJ also reported that 67 members have signed up for the Spring Brunch event, and also reported that the club's trailer repairs, and refresh will be completed in May.

Membership Director-Julie reported that the club has 142 confirmed members and 179 Corvettes. She gave an update on member Mike Mikesell's condition. Julie visited Mike in the hospital and at a transition care facility. She brought him a blooming plant and a card from our club.

Editor-Joel wants to expand advertising in the CCOM newsletter and keep the costs the same. Joel also talked about the challenges of posting ads and the graphic artwork needed to prepare the ads for the newsletter.

Member at Large-Dave DuBay wants to post event flyers and the clubs clothing catalog in the newsletter.

AJ made a motion to adjourn the meeting, and Joel seconded it. The meeting was adjourned at 6:05 PM.
