## January 2024 CCOM President Newsletter Report

Thank you for the honor of being elected as your club President for 2024. I have some big shoes to fill, considering the former Presidents' accomplishments, but I'm up for the challenge. I am looking forward to working with all the great people that were also elected to the CCOM Board of Directors.

I have been asking myself how we can make Classic Corvettes of Minnesota even better. I have got a couple ideas, but would love to get some feedback from our membership. Please call me at (612) 940-3446 or speak to me at the next meeting.

My grandson Leum, who is seven, has been taking Taekwondo lessons, and is doing great. As a reward for getting his third belt, I took him out for ice cream in my Corvette, on a warm, December day. He was teasing me that he has done better than I did when I used to take Karate lessons, so I gave him a challenge. When he passes his black belt test, he gets to drive my Corvette! He got a big smile on his face. I guess I'll be in trouble if he takes me up on the offer and gets his black belt, before he gets his driver's license, ha-ha.

I don't want to get political, but President Joe Biden owns a 1967 Corvette roadster, and it has been in the news. On a recent interview with Conan O'Brian, he commented that the electric Corvette (E-Ray) is coming out and it will do 0-60 MPH in 2.9 seconds! Too bad Secret Services Agents don't let Presidents drive on public roads anymore.

We are starting to get some ideas for Out-To Eat events for 2024. We are working on the plans for two events. If you have an idea for an outing, please speak to one of the board members.

For those of you that are seeking warmer climates in the near future, please be safe and drive carefully. For the rest of us, good luck with our Minnesota roads!

I stopped in to see Mike Mikesell recently. We had a nice visit. He would appreciate it if CCOM members could stop in for a visit. He currently lives at the Rosemount Senior Living Center at the Steeple Center, and his address is 14344 Cameo Ave. W., Rosemount, MN 55068. His room number is 236, and is located on the southwest area of the second floor.

If you are new to the CCOM Club, or if you are thinking about ordering some CCOM branded clothing, take a look at the CCOM website, Member Area. You can also look at the order book and the clothing examples at the next CCOM Membership Meeting. You can also contact me at [scottmaas@gmail.com](mailto:scottmaas@gmail.com) or (612) 940-3446, with questions.

We hope to see you at the January meeting.

I hope all of you have a Happy New Year!

## January 2024 CCOM VP Newsletter Report

This month I will be combining the Vice President and National Corvette Museum Reports. If anyone is interested in the NCM position, please let me know.

### Vice President Report

This is my first report as your VP. I am humbled for this opportunity to serve our club. The prior board has helped with a clean transition process. My role as VP is focused on club events. Over the past couple of years, we have made so many great friends and memories attending events.

One of the strengths of our club is the membership. I look forward to working with all volunteers over the next year.

In the future I plan much longer reports, I am just getting started.

Here is a picture of Nick and I on Christmas Eve in Excelsior.

**National Corvette Museum**

Just before Christmas the NCM Ambassadors were invited to a call with Pratt Miller Motors sports. They have asked us all to give an update about Corvette Racing updates and some fan packages available to a limited number of people.

Some of this information has been covered in the past by Shawn Hanna. GM is no longer the main sponsor for Corvette Racing. Pratt Miller will be racing two cars in the upcoming season. In addition to this they will be building an additional 18 race cars for other teams. These additional teams will allow for more races and classes. Corvette Racing by Pratt Miller will race in GTD PRO. TF will race in WEC and AWA will race in GTD.

Each car starts with Corvette ZO6 parts and the ZO6 engine. The cars are hand built in Michigan. The engine gets very few upgrades from the production engine. Cool for those who have C8 ZO6 owners. Each car is tested on the track and wind tunnel. Here is an image of the C8 production car on the right vs the C8.R race version on the right. There is also a list of key specs for the C8.R.

**The Spec**

- Mid-engine
- 500-600 hp
- 5.5L DOHC FPC LT6 derived from ZO6 street car
- 6-speed sequential transaxle
- Carbon body / wind tunnel developed
- Motorsports-specific Double-wishbone system
- 6 piston front / 4 piston rear brake system w/ quick-change fittings
- Endurance specific wheels w/ single lug

Pratt Miller has been with Corvette for the past 25 years. This year they will act as an independent team. To help fund the team's racing they are offering three levels in the New Pratt Miller Motorsports Collective. Here is the summary of the three levels. Pricing is annually. Details can be found at [Pratt Miller Motorsports Collective](#).

**Silver Package**

## Membership Meeting Minutes

December 12, 2023

Members present: Andre Montgomery-President, Scott Maas-Vice President, Dave Pounds-Secretary, AJ Kupka-Treasurer, Julie Montgomery-Membership Director, Shawn Hanna-Tech Director, Jan Hanna-Past President, Joel Meyer-Editor

Member absent-Dave DuBay-Member at Large

Andre called the meeting to order at 7:00 PM.

Board Member Reports:

President-Andre called for "The Pledge of Allegiance" and proceeded to read off all of the nominations for the 2024 board members. After a name was read for each board position, he asked the members if anyone wanted to nominate another member for that position. After the 7 nominated members were announced by Andre, none of the members at the meeting nominated another member. Andre then asked for a motion to approve the new board members, and the membership approved the motion. So, here is a list of the new board members for 2024: President-Scott Maas, Vice President-Chris Osgood, Secretary-Kathy Haug, Treasurer-Mark Haug, Tech Director-Shawn Hanna, Membership Director-Julie Stulz, and Editor-Joel Meyer.

Thanks to all of you! Andre had the chair member for the 2024 fall banquet (Dave Pounds) stand up to announce the venue that we selected. Dave explained that he had contacted about a dozen venues, and all but three of them were booked for September 7 and 14, 2024. Our choices were the Chanhassen Dinner Theater, the Treasure Island Casino, and the Southview Country Club. The Southview Country Club in Saint Paul was by far the best choice, and the costs were very reasonable. Andre told the members about this beautiful Country Club and the excellent location. I also want to take this opportunity to thank Andre and Julie for meeting me and my wife Nina at all three of these places. Their expertise, questions, and advice really helped us come to a final decision. Also, I want to thank John and Jane Wessel for suggesting the Southview Country Club. We really appreciate the help.

Andre made a motion to approve the November minutes, Julie Stulz approved the motion, Shawn Hanna seconded the motion, and the membership approved the motion.

Vice President-Scott thanked Keri Kuechle for setting up the Spring Banquet Luncheon at the Next Chapter Winery in New Prague on May 19, 2024. This venue can seat up to 130 members,

and there will be a cruise before lunch, with a secondary cruise for ice cream after lunch. Scott also let the members know that our club will be participating in the River City Car show in Red Wing on August 3, 2024. Scott will be purchasing some of the more popular CCOM clothing and bring them to the meeting so that the members can try on the items to check for the proper size and style before ordering. Mark Stulz also let the members know that there will be a Corvette cruise to the Veterans Home on December 16 meeting in the North parking lot at 10:30 AM.

Treasurer AJ started his conversation by saying he can't believe this will be his last opportunity to communicate as our club's Treasurer and it was his pleasure to serve! After a short applause, he then presented our 2023 financials with the projected year-end cash balance. As of today, 73% of the members have renewed their membership.

AJ then started to review the preliminary budget for 2024 walking through the major components/events that are planned for next year. AJ explained that CCOM Constitution & Bylaws do not allow amounts more than \$500 dollars to be spent for an expense without the approval of the general membership. A check in the amount of \$1000 dollars needs to be written this year (above budget) to hold our reservation for next year's Fall Banquet, AJ asked for a motion to approve this expense. Dave McGregor approved the motion, Len Geronime seconded the motion, and the general membership approved the motion.

AJ concluded his presentation by showing the preliminary budget for 2024 budget having a projected profit of \$1000 dollars. AJ explained our incoming Treasurer Mark Haug will be coming back to the membership with his final 2024 budget for approval in February. AJ then asked for a motion to approve preliminary budget for 2024. Len Geronime approved the motion, Shayna Schwach seconded the motion, and the general membership approved the motion.

Membership Director-Julie welcomed new members Bob Sagan with his C6, C7, and C8, Jenelle and Paul Jacobsen with their 2024 Redmist convertible, Bob Elfering and Jane Lillestol with their 1998 Torch Red convertible, Jake Strait with his 2022 Electric Blue C8, Brad Allen with his C5, and John and Jill. We now have 284 members and 202 Corvettes. Julie thanked Nancy, Chris, and Nick Osgood for greeting our members, and thanked Julie Stulz for selling 50/50 raffle tickets. She also thanked Judy and Doug Tews for getting our yummy cookies. Unfortunately, Doug was sick, so they both had to leave the meeting. Thank you both for taking care of that task. The members really enjoyed them.

There were 77 members at our November meeting, and two guests (Bob Elfering and Bob Sagen), and both of them joined our club. Membership is officially open for 2024, and the cost of \$60 has not gone up. An application is not needed for current members unless your address, email, or phone number has changed. Julie let the members know that you can have a picture taken of yourselves and/or your car, and email them to her or Dave DuBay. Dave DuBay (not present) has been very busy updating our website. Thank you Dave.

Finally, Julie wished everyone Happy Holidays and read her farewell as follows: It has been my pleasure being the CCOM Membership Director. It is time to pass this fun board position on to another volunteer. Speaking of volunteers -I want to thank all of you that have helped at the events and at the monthly meetings, it has made this position easier. I want to wish all of you a very merry Christmas and invite you to enjoy cookies and cider tonight.

Tech Director-Shawn had all of the members that donated prizes for the raffles raise their hands, and he and Jan Hanna thanked them for their generosity. Shawn also let us know that there will be another opportunity to track your car at Brainerd next year.

Editor-Joel Meyer set up an "Out to Eat" Dinner at Lucky's 13 in Plymouth on January 11. If you're planning to attend, contact Joel. The event starts at 5:30 PM.

Secretary-Dave: I want to take this opportunity to thank all of the board members for their support. When I volunteered for the job, I had no idea what to expect. I had never done anything like it before, and it was a big challenge for me. The best thing about it was getting to know the incredibly dedicated, helpful, and friendly board members. I also learned a lot more computer skills that I can use in the future. Many years ago, I was so clueless that I used whiteout on the computer screen. OK, I wasn't that bad. I also want to thank Kathy Haug for taking the job in 2024. I'm sure she'll do a great job.

At 8:06 PM, Andre made a motion to adjourn the meeting. Kathy Haug approved the motion, Matt McMullen seconded the motion, and the members approved the motion.

Respectfully submitted by,

David Pounds-Secretary
