President's Report – Scott Maas

April 2024 CCOM President Newsletter Report

Spring is trying hard to make an appearance in Minnesota. Our snowbirds should be coming home soon. It's almost time to get our Corvettes out of storage and put summer insurance back on. Yeah!

I plan to roll out our New Membership Drive and contest at our CCOM Membership meeting on April 9, 2024. The contest will run from April 9, 2024 to August 31, 2024. We will announce the contest winners at our Fall Banquet on September 14, 2024. We will have 3 prizes for the contest. First prize is a \$100 Clothing Certificate, second prize is a \$75 Clothing Certificate, and the third prize is a \$50 Clothing Certificate. This will be a good opportunity to talk to friends, neighbors, and relatives that own Corvettes about joining in the fun of our car club. Since we will start seeing Corvettes at shows, cruises, gas stations, and other places, we can hand out information on The Classic Corvettes of MN Car Club. I will have applications at the meeting that will have a place to put your name or initials. We will also put this new application on the website for those of you that can't make our monthly meetings. We will track the number of new members based on these new applications. We are doing this to support my goal of having 300 people in our car club. Please call me at (612) 940-3446 or speak to me at the next meeting if you have questions.

We are also finishing off the plans for a member survey. The last one was done in 2015. I plan to roll it out at our May meeting. If you have ideas for survey questions, please speak to one of the board members. If you are new to the CCOM Club, or if you are thinking about ordering some CCOM branded clothing, take a look at the CCOM website, Member Area. You can also look at the order book and the clothing examples at the next CCOM Membership Meeting. You can also contact me at scottemaas@gmail.com or (612) 940-3446, with questions.

We hope to see you at the April meeting. Have a good Spring!

Vice President's Report – Chris Osgood

Vice President Report

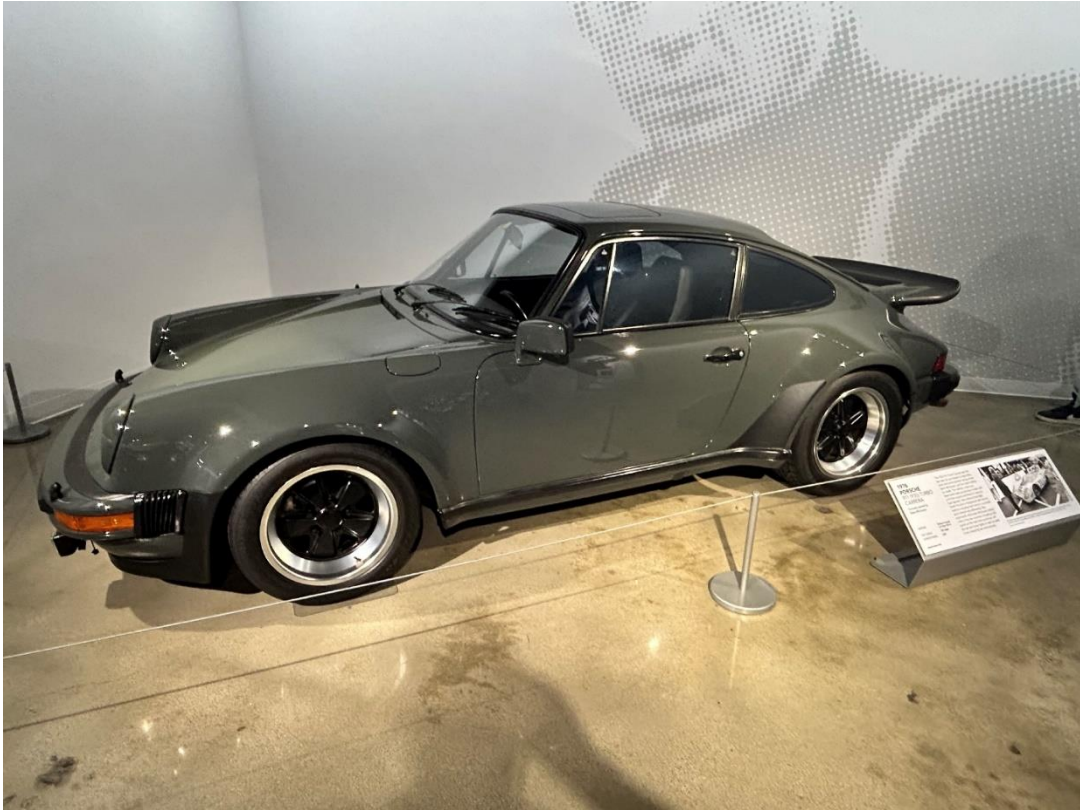

Our family took a trip to The Petersen Auto Museum in LA during our spring break vacation. They have one of the best collections in the world. They have the first ever production Ferrari and the first ever Honda car imported to the USA. One of the feature exhibits focused on Corvette racing. The owner of Mission Tortillas owns most of the collection. I have attached a few pictures from the visit. Not all are Covette, I hope you find them interesting.

First ever USA Honda 1967 N600

Serial Number 1 Ferrari

Steve McQueen Porsche 911

C6, C6 Wide Body, and C7 Race Cars

We had a great Out to Eat in March at Station Pizzeria in Minnetonka hosted by Judy and Doug Tews. It would be a great place to meet in the summer and go for a cruise around lake Minnetonka.

I have updated and added a few events for the summer. John Wessel is working on two nice cruises for June. I will lead a group monthly for those wanting to attend Cars and Caves in Chanassen.

I look forward to seeing you at upcoming events.

Artifact at NCM - Avanti II

In 1963, automobile designer Margaret "Peg" Sauer began a new challenge. Sauer had previously worked for Harley Earl's "Damsels of Design" team at General Motors, where she was influential in creating interiors for several GM vehicles in the 1950s. Her new opportunity came with Raymond Loewy's industrial design studio and a chance to work on its latest project, the Studebaker Avanti. The Avanti was Studebaker's new luxury performance car, and the automobile manufacturer had tasked Loewy's team with its design.

In just 40 days, Loewy's studio crafted a design for a four-seat coupe with a distinct appearance. The Avanti featured an elongated hood and curved rear fenders, which made the car look like a futuristic airplane. Its unusual shape required the body to be molded from fiberglass panels. Since the Avanti lacked a grille across its nose, Loewy's team designed the car as a "bottom breather," with air vents placed underneath the front bumper. Sauer's most notable contribution was a unique glovebox equipped with a pull-out drawer. The drawer contained a flip-up mirror and extra storage space for small items. Yet the Avanti's innovative design did not save Studebaker's sagging automobile sales. The company sold fewer than 6,000 Avantis before closing its plant in South Bend, Indiana.

However, the Avanti lived on for several more decades thanks to a series of periodic revivals. The longest-lived of these successor cars were created by former Studebaker dealers Nate and Arnold Altman. The Altman brothers partnered with Leo Newman, who had overseen Studebaker's truck parts division, to form the Avanti Motor Corporation. From 1965 into the 1980s, Newman and the Altman brothers sold a modified version of the Studebaker Avanti, known as the Avanti II. Each Avanti II was custom ordered and hand-built. Buyers could select a variety of color combinations for the exterior and interior, even down to the shag carpet in the trunk. Avanti IIs also used Chevrolet's small-block V8 engine, the same power plant as the Corvette.

The National Corvette Museum's collection includes a 1977 Avanti II donated by Mike Hammer. This car has a gold interior and exterior like a Studebaker Avanti Hammer saw in his youth. It includes a Corvette engine, a fiberglass body, and the special glovebox design created by Sauer more than 60 years ago.

Scott Maas – President, Chris Osgood – Vice President, Pete Liccardello and John Wessel – Members at Large, Andre Montgomery – Past President, Kathy Haug - Secretary, Mark Haug – Treasurer, Julie Stulz – Membership Director, Shawn Hanna – Tech Director, Joel Meyer – Editor,
Absent: Dave DuBay – Advisor to the Board; Website Coordinator

Meeting was called to order by President Scott Maas at 6:00 PM.

SCOTT MAAS, President

1. AJ Kupka: Sunday Aug 11, 2024 'Vettes for Vets Car Show preliminary budget follows along with last year – minor changes since the December vote; \$15 pre-register; \$20 at the gate; silent and live auctions; root beer floats. Will check if city permit charge has changed; smaller crowd of 126 cars last year due to rain. Chairpersons in place. Julie will have membership forms at the gate and salespeople outside directing people in to the indoor raffle. Scott will speak to the electronics company across the street to get permission to use their lot for overflow/spectators. Motion by Shawn to go ahead with this plan was approved by board.
2. AJ Kupka: Diane and Keith of Unruly Acres supplied our Vettes for Vets trophies last year, have brought Corvette signs, hat holders, eagle, firepit, etc to previous events. Their donations to CCOM have been worth approximately \$800-1000 in the past 2 years. Discussed having them do trophies again this year. AJ suggested and motion made by Pete Liccardello, seconded by Julie, and approved by board to run a complimentary sponsor ad with this info for them in the CCOM newsletter for 12 months.
3. Jeff Belzer meeting: Marketing contact Alex Burns; CCOM contact Jenna. Getting good feedback re: CCOM supplying a car on their showroom floor and a convertible for the Pan-O-Prog Saturday afternoon parade (Shayna); Alex Burns donated auto show passes. Belzer would like to submit info/articles for events they have coming up.
4. New membership contest: Goal of 300 total members; planning on rolling it out at April 9 meeting & ending Aug 31; Julie will help keep track of referrals; winners to be announced & prizes awarded at fall banquet; certificate prizes: first place \$100 second \$75; third \$50. Put your name as referral source on applications (on website, too with help of Dave D) and will hand out applications at member meeting; Will resupply members with CCOM application forms and business cards with QR code stickers to hand out at shows. QR code developed by Chris will just direct to the web page forever; plan to put it on CCOM business cards, bring to car shows etc; ready to move forward.
5. Member survey: Chris Pete and Scott had good discussions; Chris will work with Pete to make a few more adjustments to expand some areas and make it better/cleaner/crisper, with more useable data. Before the next board mtg Chris will have his marketing team help with a "why join?" strategy (discounts etc.)
6. Discussed embroidery stitch files: Proposed purchasing stitch files which have many files including virtually all C-series logos, Chevy bowtie, C8 silhouette, large CCOM jacket patch and more. Scott motioned to pay \$250 for stitch file thumb drive; Andre seconded and board approved. Shawn will keep a copy of thumb drive because it also has much SCOM info on it. Shawn to submit check request to Mark.
7. Spring banquet: Jullie: Everything going smoothly. Keri is working with Divine Swine; Julie will have flyers on the table for CCOM member meeting and get it in the newsletter. Chris will followup by May 1 to develop a consistent event-flyer-newsletter path/plan (get info to Joel by 26th)
8. Auto show tickets – 30 available

CHRIS OSGOOD Vice President

1. Calendar:

We have a crowded calendar, which is up to date with all events that Chris is aware of. Will indicate event sponsors in the next newsletter and develop a template to smooth out events and ensure they are in the newsletter (Chris) and website (Dave).

2. Events:

John Wessel: looking for dates that don't conflict with scheduled events and will pass the info through Chris: Granite Falls cruise to the Air Museum - lookout by Alma Wisconsin - cruise - lunch - winery on the way back. Will meet with Dave re: events.

Cruises: Expect 30-40 cars per cruise. Splitting into 2 teams worked well with big groups - especially when considering organizing adequate parking/seating/serving with a restaurant. May have a standing rule on splitting to 2 teams if over approx. 25 cars. This could also be a mentor situation with a seasoned primary leader for the first team and newer leader for the second. Also consider ending at a park or pavilion, perhaps a potluck, to avoid restaurant overcrowding.

Julie: would like to give new members a list of events, perhaps in a welcome packet that includes a one-page calendar of the month's upcoming events, how to order nametags, website, board members, etc.

MARK HAUG, treasurer

1. Sent report out via email: checks, register, the most recent activity in US Bank
2. Balance is relatively steady. Running actual compared to budget looks fine
3. Have the ability to do dual-control reconciliation
4. Reviewed deposits and new membership dues
5. Need to double check if charges such as for banquets includes tax; If so, be sure tax is not added to the total a second time
6. Taxes filed in January
7. New beneficial owner form for clubs and smaller organization; CCOM now falls under that for 2024. Completed under Mark's name and address (this does not convey any special authority to him)

KATHY HAUG, secretary

1. Ensured all are getting emailed minutes draft

SHAWN HANNA

1. Flyer sent for tech session; trying to standardize the look
2. Considering our goal of increasing membership, there are a lot of free tools, and sponsors can fund/pay fees for videographer such as SCOM did for Brainerd Driving School; consider an entertaining YouTube video which the board could script. We may integrate this with what Chris' team comes up with for marketing, as well as with videos already developed, such as by Marcus. Chris will follow up.

JULIE STULZ, Membership Director

1. 4 new members; make sure membership list is current so Scott can get emails etc updated.
2. Consider a program for individual donations for our waitress' son. Julie will follow up.

ANDRE MONTGOMERY, Past President

1. Nothing to report

JOHN WESSEL, Member at Large

1. Awards: reworking the voting to get members more involved in deciding awards.
2. Difficult to work with the membership spreadsheet – not user-friendly; AJ is putting together an interface for membership reports to simplify the membership director's job. Andre Montgomery will follow up with AJ Kupka and/or Dave Dubai; Shawn can help.

JOEL MEYER, Editor

1. Get newsletter materials in within a day or 2 of the 26th

PETE LICCARDELLO, Member at Large

1. Nothing to report

Shawn Hanna made a motion to adjourn which was seconded by Andre Montgomery. Meeting adjourned at 7:35 PM.

Minutes respectfully submitted by Kathy Haug, Secretary CCOM
