President's Report – Scott Maas

July 2024 CCOM President Newsletter Report

There certainly is no shortage of car events lately. Check out the club calendar and make plans for some car driving fun!

On Sunday, June 2nd, the 42nd GMCCA Car Show was held at the MN State Fair Grounds. The weather cooperated and there was a great turnout of GM cars, and of course Corvettes. I would like to thank Marcus Glass for all his years of service as the CCOM Representative for the GMCCA Car Show. I would also like to thank Matt McMullen for agreeing to be our Club Representative for future GMCCA Shows.

On Saturday, June 8th, John and Jane Wessel hosted a club cruise to the Fagen Fighters Museum, in Granite Falls, MN. The museum highlights WW II aircraft, soldiers, and equipment that was used by the greatest generation to win the war on two battle fronts. It was a great museum, but a little sobering knowing what it took to win the war. Thirteen Corvettes took off from the McDonald's in Chanhassen, MN. This was a fun cruise and I hope we can do it again in the future. When we were leaving, the sales clerk commented that people were coming in wondering if they could get rides in all the Corvettes parked outside, ha-ha.

On Sunday, June 23rd, I attended the 50th Anniversary of the Back to the 50's Car Show, held at the MN State Fair Grounds. The weather didn't cooperate on Friday and Saturday, but Sunday was a great day for a car show. The famous race car driver Richard Petty was at the show signing autographs. There was also a display of the stunt driver, Evel Knievel's vehicles. While walking around, I ran into fellow CCOM members, Jim Rennich, and Gale and Carolyn Larimer. I did not hear what the exact car count was, but I think it was over 10,000 cars. I have included some pictures with my report.

There were also other club sponsored events in June. It's hard to attend every event, but as you can see, there are lots of events to get involved with.

We have also been in contact with our sponsor, Jeff Belzer's Chev, regarding a car show at their dealership sometime in August. Stay tuned for more information on that car show.

If you are new to the CCOM Club, or if you are thinking about ordering some CCOM branded clothing, take a look at the CCOM website, Member Area. You can also look at the order book and the clothing examples at the next CCOM Membership Meeting. You can also contact me at scottemaas@gmail.com or (612) 940-3446, with questions.

We hope to see you at the July meeting. Have a great Summer!

Vice President's Report – Chris Osgood

Vice President Report

Happy Birthday!!

On June 30, 1953, the first Corvette rolled off the assembly line. In 2024, Corvette celebrates its 71st Birthday!

C8 ZR1

For several reasons, the Corvette ZR1 is arguably one of the most anticipated unveilings that will transpire this year. It will be the most powerful, track-ready, street-legal Corvette. This car will look spectacular, sound spectacular, and have astonishing speed. Without a doubt, it will also place the Corvette in supercar territory and begin to encroach on the realm of hypercars with an expected 800 HP on tap. Chevrolet has been on a role with providing teasers over the past few months, and the reveal is scheduled for July 25th.

June Event Summary

Marcus Glass and other helped with the GMCCA car show at the fairground on June 2. There were many Corvettes and other GM cars on display. This club event helps to generate money for us.

Vettes Happenin'

July 2024

John Wessel led a group to the Fagen WWII Museum on June 8th. I do not have any photos. Reports are the event was great.

Judy and Doug Tews had a successful cruise to the Veit Car Museum in Buffalo. This was a limited event due to parking capacity. There are many great things to see. Here are a couple pictures from the event.

John Wessel led another cruise through Wisconsin with stops at The Lookout and a winery. We had about 16 cars. The view and camaraderie of the day were great.

Other July Events

July is another big month of events. The calendar through September is attached.

Pan-O-Prog spans two days July 12 and 13 and consists of a parade and car show. This event is another club fund raiser. John Wessel has been organizing this for his last year. We look forward to his replacements Joe and Pam Tikalsky. If you are not volunteering, please try to attend this event.

The Black Hills trip will be from July 17-21. This year we have 21 cars and 40 people attending the event. Nick and I have been working to make sure all who attend will have a great trip.

Please sign up for an exciting Out to Eat hosted by Gale and Carolyn Larimer. The event will happen on July 25 at 5pm. The U Garden Chinese restaurant will have a buffet set up for us. There is great parking. The event can accommodate 50 people. This is a great central location. Please sign-up ASAP so we can provide updated counts. Out to eat events are a great way to connect.

Vettes for Vets is coming up on August 11th. AJ Kupka is planning for a better event than last year. We even have a special T-shirt available for this event.

Annual Banquet tickets are on sale now. What a great way to connect with the club. Please purchase tickets when you can. Early purchases really help with event planning. Dave and Nina Pounds are working to make the night special.

Please feel free to send me images you take at any of the club events.

Below is the updated event calendar.

Tech Director's Report – Shawn Hanna

In lieu of the technical article, Shawn asked that we run the following:

Member, A J Kupka, advised our members, at the recent Membership Meeting, of the following transmission issues that have been occurring with the C-8. He advised that another member has been having similar issues.

He and Kathy got stranded at the conclusion of our recent Spring Lunch and Cream Cruise in Carver. There have been some transmission issues reported with the C8 (check the blogs). Specifically, there was a recall for 2023-2024 models due to improperly torqued fasteners in the transmission and error messages related to the Tremec TR-9080 dual-clutch transmission. Last Fall, AJ had a leaky transmission cooler that was repaired by his local dealership. His recent observation however, after starting the car, the engine would idle poorly and would not shift into gear. Restarting the car a couple error messages would pop-up those being service transmission followed by service the rear axle. They called for a flat-bed tow service and the driver suggested disconnecting the battery for 5 minutes. After reindexing the windows, the car has run flawless for the last 2000 miles.

If you own a C8 Corvette, it's advisable to stay informed about any service bulletins or updates related to the transmission. In the meantime, AJ has added a small toolkit with 10 mm socket/ratchet to his emergency pack.

National Corvette Museum – Chris Osgood

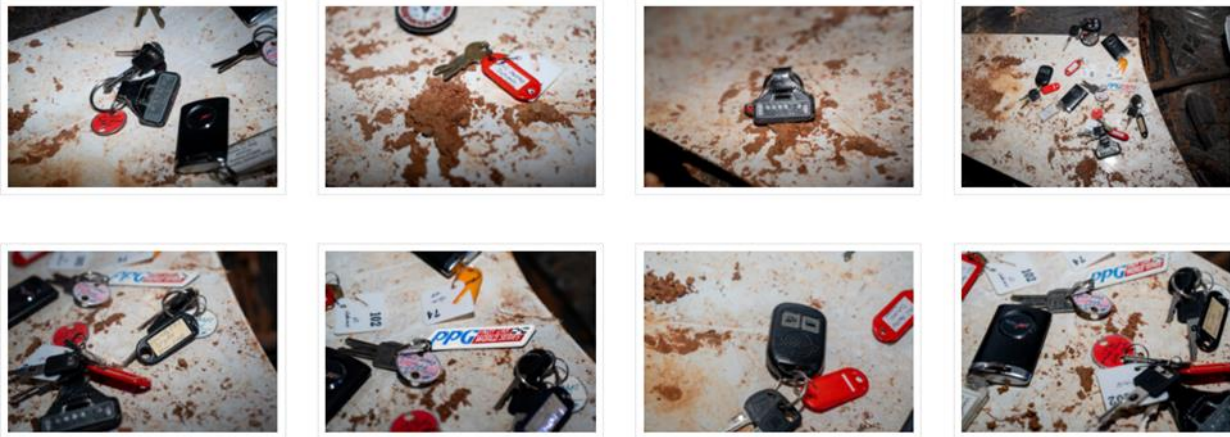

National Corvette Museum Update

Here are two more benefits of being a member of the National Corvette Museum:

Download free content, access past issues of America's Sports Car Magazine, and more when you log in to the members-only section of our website. Our monthly calendars might even feature your Corvette across thousands of Members' desktop screens!

We're excited to announce that access to the North American Reciprocal Museum (NARM) Association® has expanded to all Members of the National Corvette Museum. The NARM network is a mosaic of 1,369 art museums and galleries, historical museums and societies, botanical gardens, and more, and your membership grants you reciprocal benefits, including free admission. Visit the NARM website to learn more and find all of the participating institutions.

Artifact of the Month

The news coming out of Bowling Green, Kentucky on February 12, 2014, was unbelievable. A sinkhole had opened in the National Corvette Museum's Skydome during the early morning hours, swallowing eight cars. The Corvettes plunged 30 feet into a previously undiscovered cave. In the following weeks and months, visitors would flock to the Museum to see the sinkhole for themselves. Meanwhile, staff pondered how to recover the damaged Corvettes and repair the gaping hole in the floor of the Skydome.

One thing that the Museum staff did not have to worry about was locating the keys to the eight Corvettes. Since the keys were stored separately from the cars, none were lost or damaged in the sinkhole. All eight keys will be on display in the Museum's new exhibit *Ground to Sky: The Sinkhole Reimagined*. The exhibit looks back on a decade of progress at the Museum, a period of growth catalyzed by the staff's response to the sinkhole. Along with several of the sinkhole Corvettes, *Ground to Sky* includes personal interviews with Museum employees, displays reflecting on the Museum's history, and a peek into the possible future of Corvette. Just like the automobiles they start, these keys provide a snapshot of the Corvette's evolution. The oldest car, a 1962 Tuxedo Black Corvette, comes with a simple set of unadorned keys. Several of the later cars come with special keychains signifying their uniqueness, including the 1992 One Millionth Corvette and the 1984 PPG Indy Car pace car. The keys to the 2001 Mallett Hammer Z06, the last Corvette pulled out of the sinkhole, include a traditional metal key, multi-button fob, and a Corvette club keychain from its original owners. The 1.5 Millionth Corvette and the ZR1 Blue Devil, both from 2009, have sleeker key fobs with the sixth-generation Corvette crossed flags on the back.

All that remains of the sinkhole today is a floor hatch in the Skydome. The Blue Devil, One Millionth Corvette, and 1962 were all restored and are on display in *Ground to Sky*. Visitors can also see the 1.5 Millionth Corvette and the 1993 ZR-1 Spyder just as they came out of the sinkhole. These cars, and their keys, are symbols of resiliency in the history of Corvette and the Museum.

Win a special 30th Anniversary Z06 Convertible raffle. Featuring a one-of-a-kind Tech Bronze Graphics Package, natural two-tone GT2 seats, and 3LZ equipment package, this Z06 is spec'd out to be the ultimate rolling salute and celebration of the National Corvette Museum's 30th Anniversary. At the same time, every raffle ticket bought supports the Museum's mission.

Tickets are \$350 each, with only 1994 tickets available in honor of the year the National Corvette Museum opened.

Factory Tours

Corvette Factory Tours will resume during the NCM Bash in May. They have been closed since February.

NCM Event

National Corvette Caravan – 30th Anniversary – August 29-31, 2024

All roads lead to Bowling Green, Kentucky for the 30th Anniversary of the National Corvette Museum.

Often referred to as the world's largest moving automotive event, the National Corvette Caravan is a celebration of America's Sports Car, culminating in Bowling Green, Kentucky for the anniversary celebration of the National Corvette Museum. Hosted only once every five years, the next event is slated for Labor Day Weekend 2024 and will mark the Museum's 30th Anniversary. Regional caravans will form and join other caravans as they travel across the United States to meet in Bowling Green, Kentucky for four days of festivities at the National Corvette Museum. Registration will open on November 1, 2023.

Membership

Starting at \$65 per year. Includes discounts on Corvette merchandise.

CCOM Board Meeting Minutes

June 25, 2024

Present via Zoom

Scott Maas – President; Chris Osgood – Vice President; Kathy Haug - Secretary; Mark Haug - Treasurer; Shawn Hanna – Tech Director; Joel Meyer – Editor; John Wessel - - Members at Large; Julie Stulz – Membership Director

Guests: Dawn Rennich and Barry Abblett

Absent: Andre Montgomery – Past President; Pete Liccardello - Member at Large; Dave DuBay – Advisor to the Board & Website Coordinator

Meeting was called to order by President Scott Maas at 5:00 PM.

SCOTT MAAS, President

1. 'Vettes for Vets T shirts (guests Dick K and Barry A); Reviewed designs & suggestion was made to order at least 50 but up to 100 T-shirts, dependent upon how many members order at the July meeting and online. Motion made by Chris Osgood, seconded by Shawn Hannah, and approved by the board.
2. Charities: (guest Dawn Rennich); CCOM involved for 4 years in "30 Day Foundation" which is going smoothly. Mick Sterling is extremely appreciative & has a video to present to members! "Gifts for Seniors" is requesting changes to gift giving, as the amount & variety

of donations are cumbersome for their volunteer staff of one. They are requesting cash donations for technology such as iPads & preprogrammed electronic cat companions. Cash/checks could be given to Dawn for direct (and therefore tax deductible) donation to "Gifts for Seniors". Shawn Hanna motioned to support Dawn's proposal, Kathy Haug seconded, and the board approved.

3. Veteran's issues: Scott will follow up with Bruce re: special veteran benefits to share with CCOM veterans.
4. Public address system: considering a system with 2,12 inch speakers for \$400-500. Shawn and Joel will do research including re: wireless vs wired mics and follow up with Scott.
5. Membership contest going well. See membership director article.
6. Contact information: currently updated quarterly. Scott Maas or AJ Kupka can provide contact information on newer members as needed for upcoming events.
7. Fall Banquet Awards: reviewed by John Wessel.
8. Jeff Belzer Chevrolet car show at their facility – Tentatively scheduled for Thurs Aug 22 from 5-8 pm; Belzer Chev will run the show & provide food trucks.
9. River City Days; Scott will bring a signup sheet to July's member meeting.
10. Considering an event travel bag with CCOM membership applications, etc.

KATHY HAUG, Secretary

1. Request made by AJ Kupka to amend May minutes as follows:
 - A. Spring Lunch and Carver Creamery Cruise: AJ reviewed the balance ledger and reported 98 participants attended with an adjusted total cost of \$41.50 per/person. Members paid \$25 per/person and the club subsidized remaining of \$16.50 per/person. Net results, event was within \$117 dollars of approved budget.
 - B. 17th Annual Vettes for Vets Car Show is Sunday, August 11th. Dick Kolkmann created a 6-minute video and business cards to help advertise this event. YouTube video can be seen at: tinyurl.com/vfv24.
2. Motion made by Mark Haug; seconded by Joel Meyer, and approved by board.

CHRIS OSGOOD, Vice President

1. Good events and car shows – see calendar.

MARK HAUG, Treasurer

1. Balance fairly steady.
2. Activity on fall banquet collections going well.
3. 6 new members last month.
4. Budget is as expected.
5. CCOM purchased a 7 month CD at US Bank at 4.75 APY.

SHAWN HANNA, Tech Director

1. Had a great tour of Veit museum!

JULIE STULZ, Membership Director

1. Nothing new to report

ANDRE MONTGOMERY, Past President

1. Absent

JOEL MEYER, Editor

1. Checked if everyone is getting the newsletter electronically or if it is too large. Will check with Dick Kolkmann for advice.
2. Please send him newsletter submissions by the 26th

JOHN WESSEL, Member at Large

1. Fall Banquet award recipient nominees will be decided by July meeting;
2. Consider inviting 2 Belzer Chev employees to the banquet as CCOM's guests.

PETE LICCARDELLO, Member at Large

1. Absent

DAVE DUBAY, website coordinator

We will be leading another trip to the Black Hills from July 17-21, 2024. Nick and I had so much fun with our group last year. We are already planning the route, hotels and meals. Right now we have 14 cars signed up. We would like to limit to 20 cars.

Overview of the trip:

- Wednesday, July 17 – Hot Summer Nights in Sioux Falls, SD (Drive from Shakopee to Sioux Falls)
- Thursday, July 18 – Caravan to Spearfish, SD (Drive from Sioux Falls to Spearfish)
- Friday, July 19 – Cruise thru the Black Hills / Vette Street USA in Spearfish, SD
- Saturday, July 20 – Cruise and time in Deadwood
- Sunday, July 21– Caravan back home

Cost: Option 1 – no cost for trip. We will plan routes and restaurants.

Option 2 – Price \$320 Registration is now open. More information at [Black Hills Corvette Classic](#). We expect most will not choose option 2. We are planning a full experience for those who choose option 1.
