

Join Steve & Gayle Potas

Aug. 14, 2024 Revised Itinerary # 2

Come join us on a unique opportunity to view Lee and Penny Anderson's private collection of magnificent classic automobiles and antique wooden boats. This Private Collection is housed in two indescribable buildings on the Anderson Estate on Gull Lake in Nisswa, Minnesota. Lee has generously agreed to open their museum to Classic Corvettes of Minnesota on **August 29th**. Gayle and I will lead the cruise to Nisswa and allow club members to return to the Twin Cities on your own. Plenty of motels in the area if you want to stay over night
